Thanks, Leiran. We just may reach out once the comment period closes on Dec 6. Cc'ing Undine and Eric to help me remember this step.

Is there any way to check how many people accessed the site?

Pat

Subject: South Fork Modeling files on the FTP site

Hi Pat,

This is just a reminder that I posted modeling files on the EPA FTP site during the comment period for the Regional action. If the comment period is closed, it is appropriate to remove those files from the FTP site. Please let me know if you need assistance with that.

Best,
Leiran
